

Jennifer Peprnik

Accounting Administrator

Jennifer was born and raised in Downsview but spent her summers at the family's stone cottage (built in 1920) in Meaford.

Her first taste of the F&B industry was during a stint at the Workers' Compensation Rehabilitation Centre in the Food Services Department from 1977 to 1981. She then worked for Royal Trust in downtown Toronto from 1981 to 1987 as a coupon clerk up to the position of Supervisor of the Stock & Bond Counter.

After relocating permanently to Meaford in 1987, she started at The Georgian Peaks Club in December of that year as a Café cashier and as a part-time assistant in the Accounting Office. She became a full-time employee in April 1988 and was promoted to her current position as the Club's Accounting Administrator in October 1997.

Jennifer is Mom to Jordan who has grown up at the Club. In the off-season, she loves to garden, swim, travel and read.
