

**Nic Elias**

Snowmaking Director

Nic was born in 1972 and raised in Toronto. In 1984 he moved to the family farm in Griersville. At age 16 looking for a part time job he started working at the Peaks in the parking lot, trail maintenance and on the lifts.

In the fall of 1991, he became a full-time seasonal snowmaker. In the fall of 1995, he worked for Poma Canada assembling the Rogers Quad.

In the summer of 2002, Nic stepped into the position of Snowmaking Supervisor here at the Peaks.

Nic has been instrumental with our Project Snow, pipeline and hydrant design improvements and snow management.
